Congratulations! Your new Bank of America Cash Rewards for Business card helps you earn cash back on all the business purchases you make every day. Your new account can help you save money with 3% cash back at office supply stores, gas stations, and on computer networking services.¹ You'll also earn 1% cash back on all other purchases. There's no limit to the cash rewards you can receive.

Take advantage of the added benefits of your new business card account:

- Redeem your Cash Rewards for cash or apply them to another Bank of America account - savings, checking or even pay down your mortgage.
- Employee cards - you set the limits - help you earn cash back faster.
- NO annual fee.
- Easily track expenses in one account, and pay one bill.
- Export transaction records into financial software.
